They like to get you in a compromising position
They like to get you there and smile in your face
They think they're so cute when they got you in that
condition

Well I think it's a total disgrace

CHORUS:

I fight authority, Authority always wins

I fight authority, Authority always wins

I been doing it since I was a young kid

I come out grinnin'

I fight authority, Authority always wins

So I call up my preacher

I say, "Give me strength for Round 5."

He said , "You don't need no strength, you need to
grow up son."

I said, "Growing up leads to growing old and then to
dying

"And dying to me don't sound like all that much fun."

:|| CHORUS

Oh no oh no

I fight authority Authority always wins

:|| CHORUS
