Written by John B Sebastian

Do you believe in magic in a young girl's heart  
How the music can free her, whenever it starts  
And it's magic, if the music is groovy  
It makes you feel happy like an old-time movie  
I'll tell you about the magic, gonna free her soul  
It's like trying to tell a stranger 'bout rock and roll  
If you believe in magic don't bother to choose  
If it's jug band music or rhythm and blues  
Just go and listen it all starts with a smile  
You won't wipe off your face no matter how hard you try  
Your feet start tapping and you can't seem to find  
How you got there, it all blows your mind  
If you believe in magic, come along with me  
And we'll dance until morning baby just you and me  
And maybe, if the music is right  
I'll see you tomorrow, late at night  
And we'll go dancing, baby, then you'll see  
How the magic's in the music and the music's in me  
Yeah, do you believe in magic

Believe in the magic of a young girl's soul

Believe in the magic of a rock and roll

Believe in the magic gonna set you free

aaahhh, yea, heah

Do you believe in magic, yeah

Do you believe like I I II believe

Now do you believe like I believe in magic

Do you believe like I believe in magic

Do you believe like I believe in magic
