Written by Osterberg/Williamson

I am your crazy driver

Honey I'm sure to steer you so wrong

I'm a dieing in this story

I'm only livin' to sing this song

I need somebody baby

You need somebody baby too

I need somebody baby

Just like you, Just like you

And I'm losing on my feelings

And I'm running out of friends

You know you lied to me in the beginning

Now your gonna try to bring me to the end

And you know that's such a shame

I need somebody baby

You need somebody baby too

I need somebody baby

Just like you, Just like you

Now its time to leave this signal

In in a run down and rotten mess

You know I got my reputation

Right there in your blue jean dress

I need somebody baby

You need somebody baby too

I need somebody baby

Just like you, Just like you

I need somebody

Somebody

Somebody
