There are minor changes by John Mellencamp in ( )

I preach my dear friends you are about to receive on  
John Barley

corn, nicotine and the temptations of Eve.

(John doesn't sing/say this first verse)

No parking by the sewer sign

hotdog my razor broke

water dripping up the spout

but (hey) I don't care - Let it all Hang Out

Hanging from a pine tree by my knees

sunshine through the shade

nobody knows what it's all about

it's too much man - Let it all Hang Out

Saw a man walking upside down

my TV's on the blink

make Galileo look like a boy scout

sorry about that - Let it all Hang Out

Sleep all day, drive all night

brain my numb can't stop now

for sure ( ) ain't no doubt

keep an open mind - Let it all Hang Out  
It's raining inside a big brown moon  
how does that mess your baby up leg  
eating a reuben sandwich with sauerkraut  
don't stop now honey (woman) - Let it all Hang Out  
Man in the straw house  
sure don't know what he's talkin' about  
don't leave me standing  
on the front porch baby  
makes me feel like I'm selling something  
ask me in - Let it all Hang Out
