She calls me up and says baby it's a lonely ol' night  
I don't know I'm just so scared and lonely all at the  
same time  
Nobody told us it was gonna work out this way, no, no,  
no, no, no  
I guess they knew we'd work it out in our own way  
CHORUS  
It's a lonely ol' night  
Can I put my arms around you  
It's a lonely ol' night  
Custom made for two lonely people like me and you  
Radio playing softly some singer's sad sad song  
He's singing about standing in the shadows of love  
I guess he feels awfully alone  
She says I know exactly what he means, yeah, yeah,  
yeah, yeah, yeah  
And it's a sad, sad feeling when you're living on those  
in-between  
But it's okay  
CHORUS  
She calls me baby, she calls everybody baby  
It's a lonely ol' night but ain't they all  
CHORUS
