You may drive around in your town

In a brand new shiny car

Your face in the wind your haircut's in

And your friends think you're bizarre

You may find a cushy job and I hope that you go far

But if you really want to taste some cool success

You better learn to play guitar

CHORUS:

Play guitar--play guitar (3X)

You got your eye on the cheerleader queen

You're walkin' her home from school

You know that she's only seventeen

She's gonna make you a fool

You know you can't touch this stuff

Without money or a brand new car

Let me give you some good advice young man

You better learn to play guitar
