Now I gotta get ready got to make plans
Cuz tonight is the night I get to go out and dance
My eyes are half closed and so are yours
Hey Yankee Rose I'm just a gigalo
Gotta get goin all crazy
My vision is gettin all hazy
Way you move those hips amaze me
And I think your name is Stacey

Hey now! listen to me sing my song
Hey now! wont you help me sing along
Hey now! grab the person next to you
Let me tell you what to do
C'mon do the Roth Kung-Fu

Got a Spliff in my hand
It's just me and the band
And all I need is that woman
Now it's startin to feel like paradise
Got a nice stiff drink keepin cold with ice
Drop dead legs distract me
This shy boy's goin crazy
Cali girl gone bad really got me
Hey babe my name is Davey

Hey now! listen to me sing my song
Hey now! wont you help me sing along
Hey now! grab the person next to you
Let me tell you what to do
C'mon do the Roth Kung-Fu

Hey now! listen to me sing my song
Hey now! wont you help me sing along
Hey now! grab the person next you
Let me tell you what to do
C'mon do the Roth Kung-Fu

Driving in my car,
With someone's daughter
Yea, starring at the stars
Babe is it me or is getting hotter?
