Now I gotta get ready, got to make plans
gotta get ready cuz tonight is the night I get to go out
and dance
My eyes are half closed so are yours
Hey yankee rose
IÂ'm just a gigalo
Gotta get going all crazy
my vision in getting all hazey
if you move those hips amaze me
and I think her name is Stacey

Hey now, listen to me sing my song
hey now, wont you help me sing along
hey now, grab the person next to you
let me tell you what to do
come on to the roth kung-fu

got a spliff in my hand
its just me and the band
and all i need is that whoa man
now Its starting to feel like paradise
got a nice stiff drink keep it cold with ice
drop dead legs will strap me
shoppers going crazy
cali girl going mad and it got me
I think her name is date me

Hey now, listen to me sing my song
hey now, wont you help me sing along
hey now, grab the person next to you
let me tell you what to do
come on to the roth kung-fu

Hey now, listen to me sing my song
hey now, wont you help me sing along
hey now, grab the person next to you
let me tell you what to do
come on to the roth kung-fu

me and you drivin in my car
with someones daughter
starrin at the stars

babe, is it me or is it getting hotter?

Hey now, listen to me sing my song
hey now, wont you help me sing along
hey now, grab the person next to you
let me tell you what to do
come on to the roth kung-fu

Hey now, listen to me sing my song
hey now, wont you help me sing along
hey now, grab the person next to you
let me tell you what to do
come on to the roth kung-fu
