When we walk down the street  
Oh, we don't care who we see or who we meet.  
Don't have to run, don't have to hide  
Cause we have something burning inside.  
Cause we got love power  
And it's the greatest power of them all.  
Oh, weve got love power  
And together we cannot fall.

Sometimes were up, sometimes were down,  
But our feet are always on the ground.  
We always laugh, don't have to cry  
And this is the reason why:  
Cause we got love power,  
And it's the greatest power of them all, hey, hey, hey!  
Weve got love power  
And together we cannot fall.

... Oh, right..

Hey, sometimes were up, sometimes were down,  
But out feet are always on the ground.  
We always laugh, we don't have to cry,  
And this is the reason why:  
Cause we got love power  
And it's the greatest power of them all, hey, hey, hey!  
We got love power,  
And together we can't fall, hey, hey, hey.

We got love power  
And it's the greatest power of them all, hey, hey, hey
