Chorus 1

Who do you love?  
I wanna know, I wanna know

Where did you go,  
When you kissed me goodnight?  
You didn't walk home,  
The same way you did last night.

Chorus 2

Where did you go?  
I wanna know, I wanna know

You were dancing with me,  
But I saw you flirting with her.  
Were all those pretty words you whispered to me,  
Meant for her, meant for her?  
So tell me.

Mama said you were bad,  
And I should leave you alone.  
You had a playboy reputation,  
With all the girls you've known.

So I've got to know,  
Just where I belong.  
Am I just another girl,  
Are you leading me on, leading me on?  
So tell me
