I woke up in the morning
Felt so far away
Marks on my calendar
Don't hurry up the days
I wish I could speed up time
'Till that moment you are mine

Subtract the distance
Fly in the speed of light
Crazy how I miss you
I'm hurting deep inside
I know you can feel this pain
But don't worry I'll be back again

Pretty soon I'll be coming home, home, home, home

30 days to us (oh-hoah-oh)
30 days to love (oh-hoah-oh)
Each second I'm here thinking what I wanna do
What I wanna do, when I get to you
One month, four weeks, too many hours
Sunrise, sun fall, I'm growing tired
30 days to love (oh-hoah-oh)
30 days to love

Each day you're not here
Feels like a thousand years
Need a magician to make time disappear
Once you're near I won't let go
You're what I need and all I know

I can't wait to say I'm coming home, home, home,
home

30 days to us (oh-hoah-oh)
30 days to love (oh-hoah-oh)
Each second I'm here thinking what I wanna do
What I wanna do, when I get to you
One month, four weeks, too many hours
Sunrise, sun fall, I'm growing tired
30 days to love (oh-hoah-oh)
30 days (days, days)

How it feels on day one
It doesn't get better 'till I have your love here forever
There's nothing I want more than you right now (now,
now, now)

30 days to us (oh-hoah-oh)
30 days to love (oh-hoah-oh)
Each second I'm here thinking what I wanna do
What I wanna do, when I get to you
One month, four weeks, too many hours
Sunrise, sun fall, I'm growing tired
30 days to love (oh-hoah-oh)
30 days to love (love)
