You know what time it is
It's time to party hard
So get real and turn it up real loud
I'm taking all but this, I'm gon just wait a start
And it's gotta be where you are

Life is all what you make it (eh)
You decide not to play it (eh)
Get it good, never fake it (nah no no no no no no no)
When you found what you live for (eh)
And then I'll maybe let go (eh)
If you didn't know then you'll know now

I'm living, I'm breathing, I'm loving
No sleeping tonight
Let's do it all for love
I love you boy, I mean it
I got you, you feelin alright
Let's do it all for love

All for love, all for love (eh)
You be doing all for love (ye ye)
All for love, all for love (eh)
You be doing all for love
All for love, all for love (eh)
You be doing all for love (ye ye)
All for love, all for love (eh)
Let's do it all for love

You know what time it is
It's time to let it show
So stay real and stick to what you know
I'm gonna fight for this, I'm gonna take control
I take the lead for love oh oh

Life is all what you make it (eh)
You decide not to play it (eh)
Get it good, never fake it (nah no no no no no no no)
When you found what you live for (eh)
And then I'll maybe let go (eh)
If you didn't know then you'll know now

Iâ€™m living, Iâ€™m breathing, Iâ€™m loving
No sleeping tonight
Letâ€™s do it all for love
I love you boy, I mean it
I got you, you feelin alright
Letâ€™s do it all for love

All for love, all for love (eh)
You be doing all for love (ye ye)
All for love, all for love (eh)
You be doing all for love
All for love, all for love (eh)
You be doing all for love (ye ye)
All for love, all for love (eh)
Letâ€™s do it all for love

Iâ€™m all the love you need so never fight him for it
You got my heart to bleed, you know that I adore you

Iâ€™m living, Iâ€™m breathing, Iâ€™m loving
No sleeping tonight
Letâ€™s do it all for love
I love you boy, I mean it
I got you, you feelin alright
Letâ€™s do it all for love

Iâ€™m living, Iâ€™m breathing, Iâ€™m loving
No sleeping tonight
Letâ€™s do it all for love
I love you boy, I mean it
I got you, you feelin alright
Letâ€™s do it all for love

All for love, all for love (eh)
You be doing all for love (ye ye)
All for love, all for love (eh)
You be doing all for love
All for love, all for love (eh)
You be doing all for love (ye ye)
All for love, all for love (eh)
Letâ€™s do it all for love
