Frankie:

Go on, Go on, Go on  
Go on, Go on, Go on  
Go on, Go on, Go on

Mollie:

Go on, Go on, Go on

Vanessa:

I've been doing this my way, your way, our way  
I can't make it work  
When all I have is not enough

I've been doing all I can, my plan, your plan  
And all I get is hurt  
This game we're playing has to stop

Rochelle:

I got you stuck in my head  
And all you do is breaking me  
I can't continue taking this

I tried my best to understand  
But I cannot make sense of you  
I've got to take a stand now baby

The Saturdays:

I don't want to waste another day  
I don't want to live my life this way  
I'm tired  
I just want to lie back down and  
I don't want to waste another night  
I don't want to keep on chasing lights  
So go on, go on, go on,  
Go on, go on, go on  
Bye Bye

Mollie:

I remember I met you  
Let you get your way in everything  
You took complete control of me

I remember you lying  
Crying, trying to get away with it  
But now I know cause now I see

Una:  
I believed all that you said  
I never questioned any lies  
I never opened up my eyes

All your words got me misled  
Now I am standing  
I'm alive  
I never held you by my side  
Ohhhh

The Saturdays:  
I don't want to waste another day  
I don't want to live my life this way  
I'm tired  
I just want to lie back down and  
I don't want to waste another night  
I don't want to keep on chasing lights  
So go on, go on, go on,  
Go on, go on, go on  
Bye Bye

Vanessa:  
Bye Bye  
Ohhhh

Frankie:  
I've been doing this my way, your way, our way  
It doesn't work  
When all I have is not enough

I've been doing all I can, my plan, your plan  
And all I get is hurt

Vanessa:  
Ohhhh

The Saturdays:  
I don't want to waste another day  
I don't want to live my life this way  
I'm tired  
I just want to lie back down and  
I don't want to waste another night  
I don't want to keep on chasing lights  
So go on, go on, go on,  
Go on, go on, go on  
Bye Bye

Vanessa:  
Bye Bye  
Ohhhh  
Bye Bye
