My love tonight, I can't control my love tonight
I think I found my pure delight
You got me at the speed of light
It feels so right, I think this love, it feels so right
When I close my eyes
I can't help but wonder what it would be like

If you fall for me, then let it be
But you can do what you want with me
Do what you want with me
I'll hold you close, won't let you go
But you can do what you want with me
Do what you want with me

You stoken a fire, And tanned a live desire
I blinked a eye, who enters in my life?
Then you transpire, I can't believe my eyes
Two hearts, two lives
Wrapped up and intertwined
If you fall for me, then let it be
But you can do what you want with me
Do what you want with me
I'll hold you close, won't let you go
But you can do what you want with me
Do what you want with me

Oh oh... Oh oh... Oh oh... Oh oh
Oh oh... Oh oh... Oh oh... Oh oh

My love tonight, I can't control my love tonight

If you fall for me, then let it be
But you can do what you want with me
Do what you want with me
I'll hold you close, won't let you go
But you can do what you want with me

Do what you want with me
I think you are lovely
Got that kind of smile
That makes me happy that you love me,
Love me, love me love me
I wish you would hold me
Got that kinda body makes me
Happy when you hold me, hold me
Hold me, hold me, oh oh...
