Over,
We were over.
Was something I never had to question.

Closure,
We had closure.
But you left me unsure of a sure thing.

Seeing you get up close to her,
Sends me back to where you and I once were.
And I won't settle for second best.

'Cuz it's not enough.
Can't stop this heart from giving it up.
One spark and it started up the beat, yeah.
Shot down,
Thrown out,
Back where I begin.
Count once and tell how far
I fall completely.

But I realise,
That you love her like,
Like you did when we were close together.

Flashback,
To a moment and it's gone in a minute.

Never,
I said never.
There's nothing more I need to explain.

Ever,
And forever.
I don't think I can come back again.

What we had is dead and gone,
It's too late.
Living in the past is just a mistake.
'Cuz I'm much stronger than yesterday.

(Chorus)

(Flashback)

Why do we start at the ending?

(Flashback)

'Cuz there's no use in pretending.

(Flashback)

I'll think about it till the end of time.

(Flashback)

'Cuz you're always this heart of mine.

And if you stop to think about it,

There's no way to live without it.

I go back to days gone by.

(Chorus)

Flashback!
