La la la la-aah aah aah

I was caught in a place far away  
From the light  
What I saw  
I couldn't face  
So I closed my eyes.

Wish I could turn back the page  
Re-write my point of view  
Save all the time you waste  
(Got to get gone, gone)  
Don't let it escalate  
Don't fight, it's just no use  
There's nothing left to say  
(Got to get gone, gone, gone)

Forever is over  
And my hearts not gonna fight  
Forever is over  
And I'm no longer afraid  
Cuz if I don't get out now  
I may never escape  
Your power is fading away and  
I'm getting so stuck to the place  
I belong...

Forever is over  
Over, over, over, over, over.

I don't want you to tell me  
You found someone  
Cuz I got no distance left to run.

Wish I could turn back the page  
Re-write my point of view  
Save all the time you waste  
(Got to get gone, gone)  
Don't let it escalate  
Don't fight, it's just no use  
There's nothing left to say  
(Got to get gone, gone, gone).

Forever is over  
And my hearts not gonna fight  
Forever is over  
And I'm no longer afraid  
Cuz if I don't get out now  
I may never escape  
Your power is fading away and  
I'm getting so stuck to the place  
I belong...

Forever is over  
Over, over, over, over, over

I'm on the other side  
And now I realize  
I'm in paradise coz  
You're out my life.

Forever is over  
And my hearts not gonna fight  
Forever is over  
And I'm no longer afraid  
Cuz if I don't get out now  
I may never escape  
Your power is fading away and  
I'm getting so stuck to the place  
I belong...

Forever is over over over over over  
Forever is over...

Oh Oh Oh Oh-o-oh...
