Oh oh oh the more I want Oh oh oh the more I want Oh oh oh the more I want I want, oh oh oh the more

I've been watching you Watching all got then night I've tried my best, tried my best To get you from my side

But it so right I now I got you under control

I can do it with my hands Tied behind my back. Yeah, yeah, yeah I know you gonna Ike it like that. I can give you the keys To my world yeah. Feel the music in My head yeah this night I won't forget eh eh eh.

I said: Get Ready Get Set Cause the more that I get The more more more that I want I'm not done yet cause The more I sweat The more more I want Get ready get set cause The more that I get The more more more that I want I'm not done yet cause The more I sweat The more more more I want want want I want oh oh oh The more I want. I want oh oh oh. The more I want,

I want oh oh oh. The more I want, I want oh oh oh. The more.

You and me don't need an icebreaker You and me just needa a long night. I'm not lookin for a kind lover to hold me tonight tonight.

I can do it with my hands Tied behind my back. Yeah, yeah, yeah I know you gonna Ike it like that. I can give you the keys To my world yeah. Feel the music in My head yeah this night I won't forget eh eh eh.

I said: Get Ready Get Set Cause the more that I get The more more more that I want I'm not done yet cause The more I sweat The more more I want Get ready get set cause The more that I get The more more more that I want I'm not done yet cause The more I sweat The more more more I want want want I want oh oh oh The more I want, I want oh oh oh. Telling me what I It's the feeling I needed There is no right or wrong No gimmics no limits Come on let on Can feel it I need it Here's my body cried with desire

I can do it with my hands Tied behind my back. Yeah, yeah, yeah I know you gonna Ike it like that. I can give you the keys To my world yeah. Feel the music in My head yeah this night I won't forget eh eh eh.

I said: Get Ready Get Set Cause the more that I get The more more more that I want I'm not done yet cause The more I sweat The more more I want Get ready get set cause The more that I get The more more more that I want I'm not done yet cause The more I sweat The more more more I want want want I want oh oh oh The more I want, I want oh oh oh.
