Here Standing

I've waited a lifetime to feel the way that I feel now

But I never imagined feels like walking on the clouds

You're the reason I'm here

I'm not moving

I'm not leaving

Can't believe you're the reason that I'm standing right here

I'm not moving

Finally breathing

Can't you see you're the reason that I'm standing right

You drained me of sadness and filled me back up with love

No room left for the madness that once my world was made up of

You're the reason I'm here

I'm not moving

I'm not leaving

Can't believe you're the reason that I'm standing right here

I'm not moving

Finally breathing

Can't you see you're the reason that I'm standing right here

Standing up for what I believe

The reason I'm here

Being the best that you help me be

I promise that I will not let you down

After all

You're the reason that I'm here standing

Oh

Yeah

You're the reason I'm here

I'm not moving

I'm not leaving

Can't believe you're the reason that I'm standing right here

I'm not moving

Finally breathing

Can't you see you're the reason that I'm standing

You're the reason I'm here

I'm not moving

I'm not leaving  
Can't believe you're the reason that I'm standing right  
here  
I'm not moving  
Finally breathing  
Can't you see you're the reason that I'm standing right
