I'm doing nothing,

Cause then at least I'm doing nothing wrong.

And I'm gonna stay here on my own

And turn off my telephone,

If nothings gained nothings won

And you can tell them

Yeah you can say whatever I don't care eh.

Then if you wanna play it cool

Then I got news for you it's getting hotter hotter in here.

So when I speak listen

This is my decision

And you keep on messing up the words oh oh.

So when I speak listen cause you keep on pushing like I need permission to be heard.

I'm gonna lift to lift it higher, I'm gonna lift to lift it higher.

So when I speak listen this is my decesion And you keep on messing up the words.

I'm getting closer, closer.

M moving in and yeah I think you know.

Cause I am sick of playing games and I'm not gon' say no names but you and I know who to blame.

So you can tell, yeah you can go ahead and pull it straight.

Cause I am in this shit myself, and I do not need your help, I'm gonna do this do it right.

So when I speak listen

This is my decision

And you keep on messing up the words oh oh.

So when I speak listen cause you keep on pushing like I need permission to be heard.

I'm gonna lift to lift it higher, I'm gonna lift to lift it higher.

So when I speak listen this is my decesion And you keep on messing up the words.

I'm gonna lift to lift it (When you go higher, I go higher). I'm gonna lift to lift it (Yeah you can try but I go higher) I'm gonna lift to lift it (The only thing boy you can do is listen so yeah listen).

So when I speak listen this is my decesion and you keep on messing up the words.

So when I speak listen cause you keep on pushing like I need permission to be heard.

I'm gonna lift to lift it higher, I'm gonna lift to lift it higher

So when I speak listen this is my decesion and you keep on messing up the words...
