When I'm with you baby, I go outta my head,  
I just can't get enough, I just can't get enough,  
All the things you do to me, and everything you said,  
I just can't get enough, I just can't get enough.  
We slip and slide as we fall in love,  
And I just can't seem to get enough, no.  
We were together, we're walking down the street,  
I just can't get enough, I just can't get enough  
Every time I think of you, I know we have to meet,  
I just can't get enough, I just can't get enough  
It's getter hotter, it's a burnin love,  
And I just can't seem to get enough no!  
Yeah, yeah  
I just can't get enough  
I just can't get enough  
I just can't get enough

I just can't get enough x9

And when it rains, your shinin down to me,  
I just can't get enough, I just can't get enough  
Just like a rainbow, you know you set me free,  
I just can't get enough, I just can't get enough

You're like an angel and you give me your love,  
And I just can't seem to get enough oh!

Oh, oh, I just can't get enough, I just can't get enough  
x2  
I can't get enough,  
I just can't get enough x9
