Vanessa:

Oooh, yeah,

Sometimes I feel like I'm going out of my mind,

Boy the way you do me is a damn crime,

But then you smile at me and it's alright,

With you there ain't any in between...

Every time that I walk out the door

I tell myself I can't take it no more

There's a part of me won't let you go

I keep saying yes when my minds' saying' no...

Chorus:

Me and my heart we got issues (issues)

Don't know if I should hate you or miss you

Damn I wish that I could resist you

Can't decide if I should leave you or kiss you,

Me and my heart we got issues, issues, issues

We got issues, issues, issues.

Rochelle:

It's so wrong; boy you leave me hangin' for so long

You empty out my love until it's all gone

You change the words but still it's the same song

I'm tired of the melody

Vanessa:

Change my number and throw out your clothes

But my feelings for you, they still show

I keep building a wall round my heart

But then I see you it all falls apart...

Chorus:

Me and my heart we got issues (issues)

Don't know if I should hate you or miss you

(Damn I wish) Damn I wish that I could resist you

(Can't decide) can't decide if I should leave you or kiss  
you,

(Me and my heart) Me and my heart we got issues,

issues, issues We got issues, issues, issues.

Una (and Mollie):

Why fight it, (why fight it)  
Can't hide it (can't hide it)  
Truth is I think I like it  
Confusion, illusions (confusion, illusions)  
Still I don't know which way to go,

Vanessa:

Me and my heart we got issues  
Don't know if I should hate you or miss you

The Saturdays:

Damn I wish that I could resist you  
Can't decide if I should leave you or kiss you,  
Me and my heart we got issues, issues, issues (Me and my heart)  
Don't know if I should hate you or miss you (We got to work this thing out)  
Damn I wish that I could resist you (I don't know)  
Can't decide if I should leave you or kiss you, (can't decide if I )  
Me and my heart we got issues, issues, issues (issues)  
We got issues, issues, issues.  
We got issues, issues, issues (me and my heart)  
We got issues, issues, issues  
Me and my heart we got issues, issues, issues (we got to which way to go)  
Don't know if I should hate you or miss you (I don't know)
