When I see your face
There's not a thing that I would change
'Cause you're amazing
Just the way you are
Hey hey hey
Hey hey hey

Yeah
Your eyes, your eyes
Make stars look like they're not shining
Your hair, your hair
Falls perfectly without you trying
You're so beautiful
And I tell ya everyday
Hey hey hey
Hey hey hey

Yeah
I know, I know
When I compliment ya, you won't believe me
And it's so, it's so
Sad to think that you don't see what I see
But everytime you asks me "Do I look okay?"
I say

When I see your face
There's not a thing that I would change
'Cause you're amazing
Just the way you are
And when you smile
The whole world stops and stares for a while
'Cause you're amazing
Just the way you are

Yeah
Your lips, your lips
I could kiss them all day if you let me
Your laugh, your laugh
You hate but I think it's so sexy
You're so beautiful
And I tell ya everyday

Hey hey hey
Hey hey

Oh you know, you know, you know
I'd never ask you to change
If perfects what you're searching for
Then just stay the same
So I don't even bother asking if you look okay
You know I'll say

When I see your face
There's not a thing that I would change
'Cause you're amazing
Just the way you are
And when you smile
The whole world stops and stares for a while
'Cause you're amazing
Just the way you are

The way you are
The way you are
Ohhh...
'Cause you're amazing
Just the way you are
When I see your face
There's not a thing that I would change
'Cause you're amazing
Just the way you are
And when you smile
The whole world stops and stares for a while
'Cause you're amazing
Just the way you are

'Cause you're amazing
Just the way you are
