"Move On U"

Visit "[Move On U](#)" on MotoLyrics.com

Some girls will make no play
Happy to sit and wait
I won't be waiting all night
Some girls they bite their tongue
I tell you straight up front
got my attention tonight
Beats are flowing
Looks you're throwing
Get the fire up inside of me
Ain't no stoping
When I lock in
Boy it's on if you can stand the heat
Cos you turn me, turn me (on)
Right here, right now
I'm gon' move on you
When the lights go down
I can work you baby
I'll show you how
I'm gon move on you
When the lights go down
Woahoh ohhh oh
Woahoh oh oh oh
I'm gon' move on you
When the lights go down
Woahoh ohhh oh
Woahoh oh oh oh
I'm gon move on you
When the lights go down
I'm working up a sweat dripping down my neck
I got you right in my sight
Come baby be my sin
Don't worry about a thing
Just satisfy me tonight
Beats are flowing

Looks you're throwing
Get the fire up inside of me
Ain't no stoping
When I lock in
Boy it's on if you can stand the heat
Cos you turn me, turn me (on)
Right here, right now
I'm gon move on you
When the lights go down
I can work you baby
I'll show you how
I'm gon' move on you
When the lights go down
Woahoh ohhh oh
Woahoh oh oh oh
I'm gon' move on you
When the lights go down
Woahoh ohhh oh
Woahoh oh oh oh
I'm gon' move on you
When the lights go down
Beats are flowing
When I lock
Woahoh ohhh oh
Woahoh oh oh oh
I'm gonna move on you, move on you
Woahoh ohhh oh
Woahoh oh oh oh
I'm gonna move on you, move on you
Cos you turn me, turn me (on)
Right here, right now
I'm gon' move on you
When the lights go down
I can work you baby
I'll show you how
I'm gon' move on you
When the lights go down
Woahoh ohhh oh
Woahoh oh oh oh
I'm gon' move on you
When the lights go down
Woahoh ohhh oh
Woahoh oh oh oh

I'm gon' move on you
When the lights go down
