#### Verse

In my time, that's the way I usually go,  
But then when I feel fine, that's when I'll be letting you  
know,  
If I try, try, (taking it slow, taking it slow)  
But I can't SUSTAIN IT (letting it go, letting it go, so  
easily)  
So I try, as best as I can to break my fall,  
But you about to set me baby, you about to set me off

#### Chorus

I don't wanna do it, I don't wanna go,  
I don't wanna but my fuses are about to blow,  
My alarm is going, I'm on high alert,

Baby it's enough, just set me off, just set me off  
Set me off, just set me off

#### Verse

Be aware, I am not your everyday babe,  
When I'm there, I'm there  
Everything ALL IN, THEY PLAY FAIR  
(Keeping it real, keeping it cool)  
But I gotta tell ya

So I try, as best as I can to stay in my heels  
But they are breaking, I'm still shaking,  
You about to set me off

#### Chorus

I don't wanna do it, I don't wanna go,  
I don't wanna but my fuses are about to blow,  
My alarm is going, I'm on high alert,  
Baby it's enough, just set me off, just set me off,  
Set me off, just set me off  
Just set me off, just set me off

#### Verse

It's crazy, I am always in control,  
But baby, with you I am good to go  
Take caution, I'm about to blow my top,  
Come closer baby, set me off, just set me off

Chorus x 2

Set me off, just set me off x 2
