I was standing by the bar on a table
I could hardly breathe
Didn't fight you no I couldn't say no,
cos you were onto me.

You don't know what it's like,
I need you bad
I feel alone
You don't know how it feels,
just like a criminal

Turn myself in tonight,
this is me coming clean with my hands up
Turn myself in tonight,
cos I know that alone I'm in danger
Turn myself in truly,
want you bad,
you should have me in handcuffs
Turn myself in tonight,
this is me coming clean with my hands up.

You'll hear the sirens going,
hoo-hoo-hoo, hoo-oo hoo-hoo-hoo
You'll hear the sirens going,
hoo-hoo-hoo, hoo-oo hoo-hoo-hoo

No escape as our bodies move closer
I find it hard to leave
It's a tensional touch and it lingers
Like a crown that's been put on me

You don't know what it's like,
I need you bad
I feel alone
You don't know how it feels,
just like a criminal

Turn myself in tonight,
this is me coming clean with my hands up
Turn myself in tonight,
cos I know that alone I'm in danger
Turn myself in truly, want you bad,
you should have me in handcuffs
Turn myself in tonight,
this is me coming clean with my hands up.

You'll hear the sirens going,
hoo-hoo-hoo, hoo-oo hoo-hoo-hoo
You'll hear the sirens going,
hoo-hoo-hoo, hoo-oo hoo-hoo-hoo

Can hear the blue lights coming for me
Take me, take me
You could lock me up but I'll still be free

Turn myself in tonight,
this is me coming clean with my hands up
Turn myself in tonight,
cos I know that alone I'm in danger
Turn myself in truly,
want you bad,
you should have me in handcuffs
Turn myself in tonight,
this is me coming clean with my hands up.

You'll hear the sirens going,
hoo-hoo-hoo, hoo-oo hoo-hoo-hoo
You'll hear the sirens going
