(Prey tell)

What am I gonna do-o

(Baby)

(Prey tell)

I got my eyes locked over there,
On my new obsession,
Like a virus in my head,
Stealing my attention,
For the moment I can't go over,
It's gonna test my patience, (insane)
I can't control it,

What am I gonna do,
Should I wait my turn or take a chance on you, (Pray
tell)
What am I gonna do,
Coz it's late at night and there aint no time to lose, (so
prey tell)
What am I gonna do

(Crazy)

Dirty signs across the lights,
Tryin' to build this tension,
Putting thoughts into his mind,
Look in my direction,
Feeling good, I know I should,
Don't wanna wait forever, (insane)
I can't resist it,

What am I gonna do,
Should I wait my turn or take a chance on you, (Pray
tell)
What am I gonna do,
Coz it's late at night and there aint no time to lose, (so
prey tell)
What am I gonna do,

I just can't take no more,
My dirty secret's knocking at the door,
And if I leave I'll never know (yeah),

Is it so bad to lose control-ol-ol-ol-ol-ol

What am I gonna do, (baby)
Should I wait my turn or take a chance on you, (Pray
tell)
What am I gonna do, (what am I gonna do)
Coz it's late at night and there aint no time to lose, (aint
no time to...)
(So prey tell)
What am I gonna do

(I want you)
(Baby)
(Crazy)
What am I gonna do

(I want you)
(I want you)
(So prey tell)
What am I gonna do
