I'm walking home one winter night,
As the party is over I try not to think about you.

Now I can't wait for the morning light,
Cause the feelings inside me they totally ruin my mood.

Crazy I know
But I'm scare to fall
In a place I've been to before
Not a part of my plan

I'm falling out of control in love
For the first time
Girls, don't be loosing your head with love
(No no)
Keep him at a distance
Guarding your position
I try so hard but love will always get it's way
Why me why now?

It's gone too far no I can't rewind
Though my conscious is calling me
Finding it hard to refuse
No one resist as I confide
Don't go feeding the fire
And it's slowly burning you

I may not know
Where I'm heading for
So I think I better get wise
And just enjoy

Ooo... why your running don't hide
Ooo... when is there any time
Ooo... ho... ho...

I'm falling out of control in love
For the first time
Girls, don't be loosing your head with love
(No no)
Keep him at a distance

Guarding your position
I try so hard but love will always get it's way
Why me why now?

I'm falling out of control in love
For the first time
Girls, don't be loosing your head with love
(No no...)
