Oh... oh

Baby the harder you work the further you get with me,
with me.

I think you can, I think you can.

Turn up, prepare to make sure that you can keep up
with me, with me.

I think you can, I think you can.

Better be aware I always get what I deserve, keep your
focus, keep your nerve.

Ready, set, go!

Pick up the pace and step on it, rip up the place if you
want it.

Work, work you know you gotta work, work.

I got the goods and I want you, put your boots on baby
get to,

Work, work you know you gotta work, work.

I tend to get what I want to, are you starting to see, to
see.

I think you do, I think you do.

It's time for you to step up if you want to be with me,
with me.

I think you do, I think you do.

But don't go slow, that is not the way we play, slowly
ain't my kinda game.

Ready, set, go!

Pick up the pace and step on it, rip up the place if you
want it.

Work, work you know you gotta work, work.

I got the goods and I want you, put your boots on baby
get to,

Work, work you know you gotta work, work.

Well it's upto you how far we take this, yes it's upto you
so take the lead.

And it's upto you so tell me what I gotta sign, waiting at
the finish line.

Baby, ready, set, go!.

Pick up the pace and step on it, rip up the place if you
want it.
Work, work you know you gotta work, work.
I got the goods and I want you, put your boots on baby
get to,
Work, work you know you gotta work, work.
Take up the pace and step on it, rip up the place if you
want it.
Work, work you know you gotta work, work.
I got the goods and I want you, put your boots on baby
get to,
Work, work you know you gotta work, work.

Work, work you know you gotta work, work.
You know you gotta work, work.
