Go go go go  
Go go go go

I'm feeling hot today  
I'm gonna make you sway  
So when I count to four  
We're going out that door  
It's time to hit the floor

O! O!, come on let's get exited  
O! O!, we'll never be divided  
All around the world every boy and girl  
Raise your hands and say O! O!

Remember when we sang  
Just like a boomerang  
So all the girls and boys  
You have to raise your voice  
It's time to make some noise

O! O!, come on let's get exited  
O! O!, we'll never be divided  
All around the world every boy and girl  
Raise your hands and say O! O!

O! O!, come on let's get exited  
O! O!, we'll never be divided  
All around the world every boy and girl  
Raise your hands and say O! O!

O! O!, go go Andr's  
O! O!, go go Andr's  
O! O!, go go Andr's  
O! O!, go go

O! O!, come on let's get exited  
O! O!, we'll never be divided  
All around the world every boy and girl  
Raise your hands and say O! O!

O! O!, come on let's get exited

OI? OI?, we?ll never be divided  
All around the world every boy and girl  
Raise your hands and say OI? OI?

All around the world every boy and girl  
Raise your hands and say OI? OI
