Come on now

Carneval
En mi Corazon
Carneval
Que quente conmigo
Carneval
Y va paya, paca
It's on the Latin flavor, go tell a neighbor

Perdon, I'ma take you on a ride with me
Don't you worry 'bout a ticket, you can ride for free
Calmate, parate, just smile with me
Esta noche you will get a little wild with me
It's a global thing, everybody's shaking
Black, brown to Asian to Caucasian
Y yo, y tu ? No segregation
There's a party going on, here's your invitation

This is for real, you will believe
Es tu versa
'Cause it knocks you off your feet in a single heartbeat
Come on, come on

Carneval ? All night long
En mi Corazon
Carneval ? Can't go wrong
Que quente conmigo
Carneval ? As long as we live and breathe
Y va paya, paca
It's on the Latin flavor, go tell a neighbor now

I'm so glad to be a part of this
All day, every day I put my heart in this
Soy el unico que pone la cara aqui
Och till och med svenska kan jag ta er dit
Can't stop still gotta lotta bars to spit
Uh, and you don't know? Hey, baby I started this

This is for real, you will believe
Es tu versa

'Cause it knocks you off your feet in a single heartbeat
Come on, come on

Carneval ? All night long
En mi Corazon
Carneval ? Can't go wrong
Que quente conmigo
Carneval ? As long as we live and breathe
Y va paya, paca
It's on the Latin flavor, go tell a neighbor now

Yeah, yeah, yeah
Carneval
En mi Corazon
Carneval
Que quente conmigo
Carneval
Y va paya, paca
It's on the Latin flavor, go tell a neighbor now

Yeah, yeah, yeah
Carneval ? All night long
En mi Corazon
Carneval ? Can't go wrong
Que quente conmigo
Carneval ? As long as we live and breathe
Y va paya, paca
It's on the Latin flavor, go tell a neighbor now

Yeah, yeah, yeah
Carneval ? All night long
En mi Corazon
Carneval ? Can't go wrong
Que quente conmigo
Carneval ? As long as we live and breathe
Y va paya, paca
It's on the Latin flavor, go tell a neighbor now
