This is another cheap shot
And I'm so paranoid
And this is my statement
From a whisper to a scream
Is anybody listening
The palatoid is faded
And this is my statement
From a whisper to a scream
Push me down to the floor
Take ya foot off my neck
So I can breathe just one last breath
(Take it, take it)
Head's above water
(Take it, take it)
This is who I am
Push me down to the floor
Take ya foot off my neck
So I can breathe just one last breath
(Take it, take it)
Head's above water
(Take it, take it)
This is who I am
You dont even know me
So why you trying to mould me?
Fu-Fuck I'm gonna break this
And this is my statement
From a whisper to a scream
Is anybody listening, listening
The palatoid is faded
And this is my statement
From a whisper to a scream
Push me down to the floor
Take ya foot off my neck
So I can breathe just one last breath
(Take it, take it)
Head's above water
(Take it, take it)
This is who I am
From a whisper to a scream
Push me down to the floor
Take ya foot off my neck
So I can breathe just one last breath

(Take it, take it)
Head's above water
(Take it, take it)
This is who I am
This is who I am!
Push me down to the floor
Take ya foot off my neck
So I can breathe just one last breath
(Take it, take it)
Head's above water
(Take it, take it)
This is who I am
Push me down to the floor
Take ya foot off my neck
So I can breathe just one last breath
(Take it, take it)
Head's above water
(Take it, take it)
This is who I am
This is who I am!
You'll never change me! (x2)
This is who I am!
