I'm a drug fucked mother fuckin' maniac  
I've just smoked the pot they say killed Elvis. I've got a  
myriad of

Colour I love to stare at And I'm told Fred Flinstone was  
the very first

Dead head.  
I'm stoned as ten Bob Marleys and my eyes are blazing  
red.  
I can feel the brain cells exploding in my head. I'm  
stoned:  
Refer Madness I'm out of my head with marijuana,  
these buds the buzz I

Love to taste  
So can you tell me what's so wrong with all these  
feelings that I'm

Feeling  
While grand ideals lay the world to waste.  
I'm stoned as ten Bob Marleys and my eyes are blazing  
red.  
I can feel the brain cells exploding in my head. I'm  
stoned  
Following behind me in the haze from the setting sun I  
don't know where

I'm going but I'm happy to be gone  
So happy to be gone I ain't.  
I ain't never coming back,  
I'm going all the way  
I'm never coming back on and on and on and on and  
on  
The universe is flooding through my  
Senses, I don't need you violent ways or means All your  
fighting,

Sacrificing, loving, murder The smoke it fills me up  
now I can see.  
I'm stoned as ten Bob Marleys and my eyes are blazing  
red.

I can feel the brain cells exploding in my head. I'm  
stoned again.
