Yeah, You could be the greatest
You can be the best
You can be the king kong banging on your chest
You could beat the world
You could beat the war
You could talk to God, go banging on his door

You can throw your hands up
You can beat the clock
You can move a mountain
You can break rocks
You can be a master
Don't wait for luck
Dedicate yourself and you gon' find yourself

Standing in the hall of fame
And the world's gonna know your name
Cause you're burning with the brightest flame
And the world's gonna know your name
And you'll be on the wall to the hall of fame

You could go the distance
You could run the mile
You could walk straight through hell with a smile
You could be the hero
You could get the gold
Breaking all the records you thought never could be broke

Do it for your people
Do it for your pride
Never gonna know if you never even try
Do it for your counrty
Do it for you name
Cause there gonna be a day

When you're, standing in the hall of fame
And the world's gonna know your name
Cause you're burning with the brightest flame
And the world's gonna know your name
And you'll be on the wall to the hall of fame

Be a champion,
Be a champion,
Be a champion,
Be a champion

Because you belong to the hall of fame

Be students
Be teachers
Be politicians
Be preachers

Be believers
Be leaders
Be astronauts
Be champions
Be truth seekers

Be students
Be teachers
Be politicians
Be preachers

Be believers
Be leaders
Be astronauts
Be champions

Standing in the hall of fame
And the world's gonna know your name
Cause you're burning with the brightest flame
And the world's gonna know your name
And you'll be on the wall to the hall of fame

You could be the greatest
You can be the best
You can be the king kong banging on your chest
You could beat the world
You could beat the war
You could talk to God, go banging on his door

You can throw your hands up
You can beat the clock
You can move a mountain
You can break rocks
You can be a master
Don't wait for luck
Dedicate yourself and you gon' find yourself
