They're kicking us out saying it's time to close
We're leaning on each other try'na beat the cold
Carry your shoes and I give you my coat
Walking these streets like they're paved gold
Anymore excuses is not to go
Neither one of us want to take that taxi home
ref.

Singing our hearts, standing on chairs
Spending the time like we were millionaires
Laughing our heads off, the two of us stared
Spending the time like we were millionaires

Millionaires

oohoh oohoh

Lost my heart and I hope to die
Seeing that sunlight hit your eyes
Been up all night but you still look amazing to me
Yeah,

Half the time of the night you only dream about
If God came down he could take me now
Cause in my mind, yeah we will always be
ref.

Singing our hearts, standing on chairs
Spending our time like we were millionaires
Laughing our heads off, the two of us stared
Spending the time like we were millionaires

Millionaires

oohoh oohoh

Look at us since six in the morning
If time was money, yeah we'd be worth a fortune

I swear you may think your'e rich
You could have a million euro but you cant buy this
Look at us since six in the morning
If time was money, yeah we'd be worth a fortune

I swear you may think your'e rich
You could have a million euro but you cant buy this
bridge.

And the band was on, playing our song
We messed up the lyrics as we sing along
But we didn't care,
Cause it felt like we were the only ones there
My feet where sore, my bones where raw
They're turning off the lights, when we were shouting more
Shouting more,
ref.

Singing our hearts, standing on chairs
Spending the time like we were millionaires
Laughing our heads off, the two of us stared
Spending the time like we were millionaires
Millionaires
oohoh oohoh

Look at us since six in the morning
