[Verse 1]

Am I better off dead
Am I better off a quitter
They say I'm better off now
Then I ever was with her
As they take me to my local down the street
I'm smiling but I'm dying trying not to drag my feet

They say a few drinks will help me to forget her
But after one too many I know that I'm never
Only they can see where this is gonna end
But they all think I'm crazy but to me it's perfect sense

[Chorus]

And my mates are all there trying to calm me down
'Cause I'm shouting your name all over the town
I'm swearing if I go there now
I can change your mind turn it all around

I know that I'm drunk but I'll say the words,
And she'll listen this time even though they're slurred,
Dialed her number and confessed to her,
I'm still in love but all I heard was nothing

[Verse 2]

So I stumble there, along the railings and the fences
I know I'm with her face to face, that she'll come to her
senses
Every drunk step and path leads me to her door
If she sees how much I'm hurting
She'll take me back for sure

[Chorus]

She said nothing
Oh I wanted words but all I heard was nothing
Oh I got nothing
Nothing
I got nothing
Nothing
Oh I wanted words but all I heard was nothing

[Verse 3]

Oh sometimes love is intoxicating
Oh you're coming down your hands are shaking
When you realise there's no one waiting

Am I better off dead
Am I better off a quitter
They say I'm better off now
Than I ever was with her

[Chorus]

She said nothing
Oh I wanted words but all I heard was nothing
Oh I got nothing
Nothing
I got nothing
Nothing
Oh I wanted words but all I heard was nothing
Oh I got nothing
I got nothing
I got nothing
