Everybody come and clap your hands  
Don't you know when you dance  
You got to smile, oh you can't cry  
Try it a while you'll be surprised

Baby, it's rock 'n roll music  
I said can't you hear that music  
Well all right (well all right)  
Well all right (well all right)  
Well all right now, yeah

Try the monkey, it's a somethin' new  
But I don't care what you do  
'Long as you dance and move your feet  
Get in a trance feelin' the beat

Children, it's rock 'n roll music  
I said can't you hear that music  
Well all right (well all right)  
Well all right (well all right)  
Well all right now, yeah

Yeah, yeah (yeah, yeah)  
Yeah, yeah (yeah, yeah)  
Yeah, yeah (yeah, yeah)  
Yeah (ahh-yi-yi-yi)

Well all right (well all right)  
Well all right (well all right)  
Well all right now, yeah

Everybody come and clap your hands  
Don't you know when you dance
