The trife life of living famous bustin' shots live it's dangerous

In midnight we do it right in clear blue light

The trife life rough wearin' handcuffs like bracelets

Got on the run and got wasted

Mad agony havin' me more vexed

Got me pullin' out techs on opposite sex (uh)

The cream got me fiend (fiend) for masterville scheme (scheme)

Like doin' drivebys in stretched limozeens

I got tons of guns (uh) my niggas on the run pack the nickel plated ones

Get the cheddar however dun cause niggas got dreams

Painted king the drug sling got they brain drained

Just to sling cocaine continusly seriously

My brain blunted the lye done it

We makin' hundreds that's all we wanted

To see my ill mean team seein' cream

The Infamous comin' outta Queens

Yo check it check it

Prodigy:

Yo it's the Pee me and the N.O.Y.D.

We put the chedda togetha so we can double the o.z.s

It grows like some family trees and beanstalks

Some hustlers naturally born with street smarts

Yo Karate it's you and Gotti y'all lift the weight

Me and Noyd attempt staring down at the plate

The Mobb niggas living wild inside of New York state

The five gates is a nigga is shook let him shake

While the coke back

Chef trip cook a boulder over the shoulder

With the wonders with they hands in pot holders

Soloist get rolled over

Rappin' Noyd takin' over you crossed over

Then you bucked in October
November, December came out the hospital keyed up
Paralysed from your feet up now slow ya speed up (uh)
