I take it back  
This time I'm holding back, nothingâ€™ Everyone, will  
see your colors  
I tried to turn the pages for a better wayâ€™ But you're  
still  
Thereâ€™ Like it's yesterday, everyday  
See, where your chapter ends, mine beginsâ€™ And to  
my friends beside  
Me, this is it  
Hold your ground, they cannot bring us down

Take shape to what life gives youâ€™ Learn how to bend  
not  
Breakâ€™ Somehow it seems we lost youâ€™ Gone at the  
scene, you're  
Torn at the seamsâ€™ You're a joke, this punchline's  
about you

You said you live for this, it's clear that you don'tâ€™ We  
see right  
Through itâ€™ You're such a fucking joke  
Thanks to you we haven't made it by nowâ€™ Look at  
you, just a failure  
Now

Take shape to what life gives youâ€™ Learn how to bend  
not  
Breakâ€™ Somehow it seems we lost youâ€™ Gone at the  
scene, you're  
Torn at the seamsâ€™ You're a joke, this punchline's  
about you

This is the path we choseâ€™ You can't change  
usâ€™ This is the path  
We choseâ€™ We won't change  
This is the path we choseâ€™ You can't change  
usâ€™ This is the road  
We pavedâ€™ We won't change

I know, that we have something to proveâ€™ And now,  
we all have nothing

To lose

Take shape to what life gives youâ€” Learn how to bend  
not

Breakâ€” Somehow it seems we lost youâ€” Gone at the  
scene, you're

Torn at the seamsâ€” You're a joke, this punchline's  
about you

Here's a toast to usâ€” We held our ground
