Verdigris intrigue  
Fingerprints  
On the glass door  
Rain on the concrete  
Hole in your t-shirt

Verdigris intrigue  
A crack in the bathtub  
Bark of the birch tree  
Chipped paint  
In the doorway

Verdigris intrigue  
Hues of the weathered wall  
Rhinestone on the diner floor  
Lone glove on the sidewalk

Verdigris intrigue  
The song of an old door  
Blemish on the brass rail  
Verdigris intrigue

She was an eyelash  
On the face of the dial tone  
Fresh as a frozen rose  
On utility light poles

She was a camera flash  
In the whirl of the cyclone  
Confusion chaperones  
Tell her only where not to go

To the  
Verdigris intrigue  
Red light on the top floor  
Smoke in the still air  
Late afternoon shadows

Verdigris intrigue  
Serenade of the lone child  
Blemish on the brass rail  
Verdigris intrigue

She carried a photograph  
Of a girl that she used to know  
Whose colors began to erode  
It was taken so long ago

She hears a thin tale  
From hypochondriac troubadours  
Then garden began to grow  
Magnolia portholes

To the verdigris intrigue  
Hues of the weathered wall  
Rhinestone on the diner floor  
Lone glove on the sidewalk

Verdigris intrigue  
Serenade of the lone child  
Blemish on the brass rail  
Verdigris intrigue
