Mudman, Mudman etc.

Crawls around the swamp at night
Loves to smoke and drink and fight
Cheats 'n gambles and lies
Sees the world through bloodshot eyes

Where he came from no-one knows
Eight feet tall, bone through his nose
Tattooed body, his hair piled high
Call him Mudman we don't know why

Mudman, Mudman etc.
There he goes !

All day long he bangs the drums
Soon the natives start to come
Scream and shout and jump around
Rockin' to that Mudman sound

Medicine Man, Witch-doctor too
They don't know what they're gonna do
Voodoo doll won't cast a spell
Mudman's power is straight from Hell

Witch-doctor he slaps the bass,
Disappears without a trace
The native's know that they all should
Worship the man that's made of mud

Where he came from no-one knows
Eight feet tall, bone through his nose
Tattooed body and hair piled high
Told the Medicine Man goodbye.
