How does it feel to be beaten?
How does it feel to have your pride eaten?
How does it feel? Surreal? Does it feel real?
Do you want to fight back? Now you know how we feel.

The Freak Show's coming with a hat full of tricks,
A grin full of steel and a bag full of freaky hits,
This is a warning to anyone who're listening,
Time's nearly up bitches, here comes the sin,
Evil and vile, this is anti-style,
We're a band with beats and a desire to defile,
Everybody better run and find a place to hide,
If you're not down with the Freak Show we'll blow you're
fucking mind,
'Say'
Bow motherfuckers, bow motherfuckers, BOW!
The Freak Show is coming, hear the loud crowd!
'Say'
Bow motherfuckers, bow motherfuckers, BOW!
The Freak Show is coming, hear the loud crowd!

How does it feel to be beaten?
How does it feel to have your pride eaten?
How does it feel? Surreal? Does it feel real?
Do you want to fight back? Now you know how we feel.

Freaks of world, I know you're there,
The Freak Show's coming, put your fists in the air,
We're scrubs in rags and creeps and fags,
We're freaks, and we ain't going away,
They never really liked us, we're not the same as them,
They don't want to understand, they want assimilation,
We're the same, you and I,
Life kicked us in the face and we wanted to die,
So march with the Freak Show boy's and girls,
Raise you're middle fingers and show them to the
world,
'Say'
Bow motherfuckers, bow motherfuckers, BOW!
The Freak Show is coming, hear the loud crowd!

How does it feel to be beaten?

How does it feel to have your pride eaten?
How does it feel? Surreal? Does it feel real?
Do you want to fight back? Now you know how we feel.

Fuck them! Fuck them!
They don't know,
Fuck them! Fuck them!
Come on home,
I am waiting,
Come to me,
Please stop hating,
Love me,

Are you ready? Ready for this,
This is bliss disguised as a fist,
Well, everybody wants a little piece of paradise,
They'll show you heaven if you pay the right price,
Are you ready? Ready to believe,
That this is the answer to all your needs,
Welcome to my world, you'll never fucking leave,
Depression grabs hold of you and never lets you
breathe,

How does it feel to be beaten?
How does it feel to have your pride eaten?
How does it feel? Surreal? Does it feel real?
Do you want to fight back? Now you know how we feel.

Fuck them! Fuck them!
They don't know,
Fuck them! Fuck them!
Come on home,
I am waiting,
Come to me,
Please stop hating,
Love me,

'Say'
Bow motherfuckers, bow motherfuckers, BOW!
The Freak Show is coming, hear the loud crowd!
'Say'
Bow motherfuckers, bow motherfuckers, BOW!
The Freak Show is coming, hear the loud crowd!
