"Big Ole Brew"

Well I work a double shift at the plant & I work on the
outside
& I'd a lot rather be home makin' love to my new bride
& there's only 2 things I want when I'm back in my
double wide
& that's a big ole brew & little ole you

Now though you're workin' every day just as hard as I
do
& if I didn't think that I might've loved you, I wouldn've
have said "I do"
& there's only 2 things in the world that I need to get
close to
& that's a big ole brew & little ole you

Now I got both ends meetin' in the middle
But I can't seem to get 'em tied
I don't care, long as I know you'll be by my side

(instrumental)

Well I got both ends meetin' in the middle
But I can't seem to get 'em tied
I don't care, long as I know you'll be by my side

Well, I ain't gonna work this hard every day of my
lifetime
One of these days, everything I want's gonna be mine
But I think it'll be all right as long as there's sunshine
& a big ole brew & little ole you
I'll take a big ole brew & little ol' you
