Surprise
Nothing to mention
There's no reaction
For the walking dead who speak

Disguise
Detract attention
Oh did i mention
The part of the walking dead who speak?

There's a price
For their existence
When no one listens
To the walking dead who speak

Lets coin a phrase
Bend the truth
Suck the life out of every one of you
Cause when it's done
You might smile
And it only happens once in a while

My advice
To all the critics
Those seasoned cynics
The part of the walking dead who speak

Lets coin a phrase
Bend the truth
Suck the life out of every one of you
Cause when it's done
You might smile
Cause it only happens once in a while
