You cheated, you lied,
You said that you love me
You cheated, you lied
You said that you want me
Oh, what can I do
But just keep on loving you?

Love is something you know nothing about
Love is something you can't throw about
So please try to love me
Love me like I love you

Oh, please try to love me
Love me like I love you

You cheated, you lied
You said that you want me
You cheated, you lied,
You said that you love me
Oh, what can I do?
Oh, what can I do?
Oh, what can I do?
