Big John, wont you come on home?
Aint you gonna marry me?
My folks all wanna know
When the weddins gonna be
They're makin plans, shakin hands
Been waitin so long
There's somethin goin wrong

Big John, if you don't come home
I'm gonna have to leave this place
My folks know youve jilted me
I'm ashamed to show my face
They're makin plans, shakin hands
Been waitin so long
There's somethin goin wrong

BRIDGE:

They all told me bout the things you do
If what they told me is true
They all said that I'd soon find out
I'm wastin my kisses on you

There's somethin goin wrong

Been waitin so long

There's somethin goin wrong
