(Sha la la la la la la la la la, sha la la la la la la la la la)
Come on baby, won't you come with me?
There's so many things for us to see
There's a heaven made behind each door
We'll see things we never saw before, & we'll sing

CHORUS:

(Sha la la la la la la la la la, sha la la la la la la la la la)
Baby, baby, you & I will be seein'...
Bright shiny colors so strange & new
Bright shiny colors I'll see with you
Bright shiny colors, that's what I'll say
Bright shiny colors run through my head

(Sha la la la la la la la la la, sha la la la la la la la la la)
(instrumental)

People's faces painted just like clowns
We'll ride elevators up & down
We'll go places no one ever goes
We'll go walking on our own rainbows, & we'll sing

(repeat chorus & fade)
