There is no hope  
There is no hope

Dogma the tempter  
Tormentor of souls  
Fuel for all conflict  
The source of all woes  
Weakness and fear  
A crutch for the blind  
Corrupter of love  
The father of lies

Reign Hell  
Dogma enthroned  
Reign Hell  
Your mind is not your own

There is no hope  
There is no hope

Like puppets we dance at the whim of the strings  
And heed to the lies told to comfort our fears  
We're weak, confused, and stand for nothing  
With change comes no safety and that cannot be

Reign Hell  
Dogma enthroned  
Reign Hell  
Your mind is not your own

Ubiquitous lies, no place to hide, no truth  
Swallow and choke, give up the ghost, no hope  
Tear out your eyes, reject this life, no truth  
Rip free your mind, tradition defy, take hope

Reign hell  
Dogma enthroned  
Reign hell  
Your mind is not your own  
Reign hell  
Dogma enthroned

Reign hell  
Your mind is not your own
