Everybody loves a lover  
Everybody loves me oh, yes I do  
And I love everybo-o-o-ody  
Since I fell (since I fell in love) in love with you  
(Since I fell for you)  
Now I should worry (Oooo bee do be doo)  
Not for nothin' (Oooo bee do be doo)  
Everybody loves me, oh you know they do  
And I love everybo-o-o-ody  
Since I fell (since I fell in love) in love with you  
(Since I fell for you)  
[Trumpet interlude]  
(Who's the most popular personality?  
I can't help thinkin' it's no one else but me  
Gee, I feel just about ten feet tall, havin' a ball  
Guess ya might call me a Pollyanna)  
I should worry, (Oooo bee do be doo)  
Not for nothin' (Oooobee do be doo)  
Everybody loves me, oh you know they do  
And I love everybo-o-o-ody  
Since I fell (since I fell in love)  
Since I fell (since I fell in love)  
Since I fell (since I fell in love)  
(With you, you... you you you you)
