"You broke his heart and made him cry
And he's been blue since then
Now he's found somebody new
And you want him back again"

Foolish little girl, fickle little girl
You didn't want him when he wanted you
He's found another love, it's her he's dreaming of
And there's not a single thing that you can do

"But I love him"
"No you don't it's just your pride that's hurt"
" I still love him"
(If you got him back again
You'd go right out and do him dirt)

Foolish little girl, fickle little girl
You didn't want him when he wanted you
He's found another love, it's her he's dreaming of
And there's not a single thing that you can do

"But I love him"
"It's too late to have a change of heart"
"I still love him"
(Tomorrow is his wedding day
And you'll keep quiet if you're smart)

Foolish little girl, fickle little girl
You didn't want him when he wanted you
He's found another love, it's her he's dreaming of
And there's not a single thing that you can do

"Forget him 'cause he don't belong to you"
"It's too late he's found somebody new"
"There's not a single thing that you can do"
