I thought I'd found the right guy, but another girl
caught his eye
When he turned his back on me, oh I thought I'd die
I'm just a-hanging on; most of my hope is gone
Lonely nights still linger since he slipped through my
fingers
Last-minute miracle is all I can hope for

I'm getting hysterical, praying he'll walk through the
door
I didn't miss heartache at last, oh heartbreak in my own
past
(Last-minute miracle) is all I can hope for (last-minute
miracle)

This infatuation can't last in his heart; I'm anticipatin'
makin' a new start
If I can't share in his sweet lips, my life will cease to
exist
Last-minute miracle is all I can hope for

Giving my love to a stranger, leaving my heart in
danger
All hope's fading away; please let him come back to
stay
(Last-minute miracle) is all I can hope for
(Last-minute miracle) hey hey hey

(Last-minute miracle) is all I can hope for (last-minute
miracle)

I need some love so fast in this confusion, this heart
wearing the pain
Never have I been so disillusioned; when I ever love
again
Last-minute miracle is all I can hope for

I'm getting hysterical, praying he'll walk through the
door
I didn't miss heartache at last, oh heartbreak in my own
past
(Last-minute miracle) is all I can hope for

(Last-minute miracle) is all I do
(Last-minute miracle) I'm beggin' you please
(Last-minute miracle) last-minute miracle
...& fade
